The deletion of the paragraph at page 12, line 9 has been corrected to page 13.

The insertion at page 14, between lines 9 and 10 has been corrected to lines 10 and 11.

Claim Suggestions

3. For clarification of claim language, the examiner suggests the following changes to the claims:

In claim 1, line 8, delete the first instance of "the" and insert --- a ---.

In claim 1, line 11, delete "another" and insert --- a subsequent stage ---.

In claim 1, line 12, after "means" insert --- in the one stage --- and after "zone" insert --- of the subsequent stage ---.

In claim 1, line 22, delete "the reaction zone or zones" and insert --- the at least one reaction zone ---.

In claim 1, line 23, prior to "reaction zone" insert --- at least one --- and delete "or zones of the" and insert --- of a ----.

Allowable Subject Matter

4. This application is in condition for allowance except for the following formal matters:

Claims 26 and 29 are objected to because of the following informalities: The claims are dependent upon a cancelled claim. Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

5. Claims 1, 4-14, 27, 28 and 30-49 are allowed.
6. The following is an examiner's statement of reasons for allowance: Applicant's arguments (page 12 and 15) in view of the amendments to the claims have been persuasive. Additionally, the examiner finds that Stone explicitly states that an " 'hour glass' passage of catalyst between beds is eliminated" (col. 13, lines 12-26) further discouraging the combination of references of Stone and Lengemann.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
